Dear Book club Members:

Here are the books and dates for meetings for 2021.

I hope we will be able to have face to face meetings this year, currently at 5 Wildash Street, Southport at 2 p.m. on the fourth Thursday of each month.

If ,however, we have to make changes if covid issues continue , we will have Zoom meetings if members are agreeable. I will let you know the meeting I D and password if this becomes necessary.

Just a caution about “The FinklerQuestion” , QBD tells me that it is due to be reprinted and available by March . I believe there are copies of this book in the Gold Coast Library.

Hope to welcome you all back on 25th February at 5 Wildash Street.

Best wishes, Margaret Hamilton (Convenor of BIG Book club.)
